 Muhammad Nauman Gulzar

Summary

Dedicated and results-oriented IT professional with a Postgraduate International Teacher Program and extensive teaching experience, complemented by a robust background in IT support, WordPress development, and collection management. As a teacher, designed and delivered engaging curricula, fostering student growth and critical thinking in dynamic classroom environments. Served in the Bahrain National Guard, demonstrating discipline, leadership, and adaptability in high-pressure settings. Skilled in customer relations, problem-solving, and technical expertise, with a proven ability to manage and resolve complex issues, ensuring operational efficiency and client satisfaction. Proficient in WordPress development, data analysis, and IT infrastructure management. Committed to continuous learning and staying abreast of industry trends.

Experience

Dar-e-Arqam Schools **August 2021 - May 2024**
Computer Science Teacher Lahore, Pakistan
🌐 <https://daspak.org/>

Developed and delivered engaging lesson plans tailored to diverse learning needs, aligning with educational standards while staying updated with the latest trends in computer science and technology education. Engaged in continuously improving teaching practices through workshops and training.

Cedar Financial **April 2020 - July 2021**
Collection Support Executive Lahore, Pakistan
🌐 <https://cedarfinancial.com/debt-collection-pakistan/>

As a Collection Support Executive at Cedar Financial, I am playing a pivotal role in ensuring the timely and efficient recovery of outstanding debts. I works closely with customers to understand their financial situations and develop tailored repayment plans.

Bahrain National Guard **September 2018 - March 2020**
Military Service Bahrain

Served in the Bahrain National Guard, executing duties with discipline and leadership in high-pressure environments, ensuring operational readiness and security. Demonstrated adaptability and teamwork in supporting mission-critical objectives.

Madinah Foundation Lahore (Green Schools Systems) **July 2017 - August 2018**
IT Officer Lahore, Pakistan
🌐 <https://www.madinafoundation.org.pk/>

Designed custom promotional materials, including flyers, banners, and newsletters, using Photoshop and Adobe Illustrator. Provided first-line technical support, troubleshooting hardware/software issues, installing and configuring systems, and assisting with network and server administration tasks.

Education

Thomas More University of Applied Sciences **September 2024 - September 2025**
International Teacher Program Postgraduate Degree
🌐 <https://thomasmore.be/en/educations/postgraduates/international-teacher/mechelen/full-programme>

University of South Asia **2013 - 2017**
Computer Sciences Bachelors
🌐 <https://usa.edu.pk/>
